EDUCATION

Master of Integrated Innovation for Products and Services (MIIPS)

Carnegie Mellon University | August 2026 – December 2027 (Expected)

Bachelor of Science in Creative Technology and Design

University of Colorado Boulder | August 2022 – May 2026 | GPA: 3.85

Dean's List: SP26, FA25, SP25, FA24, SP24, FA23, FA22

Chancellor's Achievement Scholarship: SP26, FA25, SP25, FA24, SP24, FA23, SP23, FA22

EXPERIENCE

Data Analyst | THINKware, Online | June 2022 – July 2022 | Jan 2023 – Present

- Develop clear SQL reports that deliver actionable insights to clients and improve operational efficiency.
- Onboard and train interns, delegate tasks, and resolve issues to ensure team productivity.
- Collaborate with teams to analyze data, identify issues, and design effective reporting solutions.
- Maintain and update reports to ensure clients receive accurate, current data.

AI Research Intern | Asenion (Formerly Fairly AI), Online | May 2025 – August 2025

- Conducted comprehensive research and testing on hallucinations, false assertions, and PII in AI models, developing Apps Script to analyze 1000+ data points across 10+ industry-leading models.
- Conducted QA on enhanced Garak LLM vulnerability probes throughout the development-to-production pipeline.
- Updated policy documentation to align with industry standards and company guidelines.

Course Assistant | University of Colorado Boulder | August 2025 – May 2026

- Assist in GEEN 1400 First-Year Engineering Projects under Professor Joany Tisdale.
- Collaborate with student teams to support project development and learning objectives.
- Guide students through design solutions, fabrication techniques, and project implementation.
- Connect students with relevant resources and technical expertise.
- Assist in grading presentations, reports, and assignments to provide constructive feedback.

Summer Intern | The Larkin Company, Online | June 2021 – July 2021

- Created training materials and updated platform content to improve team efficiency and client communication.
- Designed marketing infographics and provided UX feedback to enhance digital engagement and usability.
